### Specification:

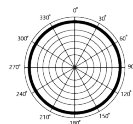

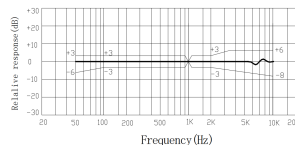

|                        |                                     |
|------------------------|-------------------------------------|
| Type:                  | Condenser microphone                |
| Polar Pattern:         | Omnidirectional                     |
| Frequency:             | 50Hz-20KHz                          |
| Sensitivity:           | -30dB $\pm$ 3dB (0dB=1V/Pa at 1kHz) |
| Signal to Noise Ratio: | 58dB SPL                            |
| Output Impedance:      | 2.2k $\Omega$                       |
| Output Connection:     | 3.5mm TRRS connector                |
| Cable Length:          | 6m/19.68ft                          |
| Weight:                | 45g                                 |
| Dimension:             | 43*13*10(mm)                        |

### Main Feature:

- ① Lavalier Microphone
- ② Microphone Clip
- ③ Camera & Phone Switch
- ④ Low-cut Filter
- ⑤ 3.5mm Audio Output

### Frequency Response:

### Packing List:

- Microphone \*1
- Mic Clip \*1
- Foam Windscreen \*1
- Pouch \*1
- Warranty Card \*1
- User Manual \*1
